Evaluation

Course Objective:

The objective of this course is to update DDA Careerists'

awareness and understanding of current activities, problems and trends

in the Administration Directorate and its components.

1. Please indicate on the scale below the degree to which the course
   met its objective:

LOW   HIGH
| 1 | 2 | 3 | 4 | (5) | 6 | 7 |

2. What part of the course did you find the most useful? There were

STATINTL ██████████████████████. I also felt the Security
presentation was good but I'm sure there are reasons for
that.

3. What part of the course did you find the least useful? I really feel
there is very little to term as "least useful." I
think in some respects all speakers gave us some

outfit.

4. Please describe how the course benefited you.

5. What suggestions do you have for improving this course?

program + they have some very sharp people to
